PROSSER NURSERIES

P. E. Nickerson, Nurseryman

Prosser, Washington

General Price List of Nursery Stock for Spring of 1922.

FOR YOUR INFORMATION

This nursery was established in 1906. When you trust your nursery stock order with me, I feel that I am honored, and it is my aim and ambition to see, personally, that you get the proper goods you send for. As we have no agents, our business is done by mail or by your personal visit to the nurseries, one of which lays in the city limits of Prosser, county seat of Benton county, and you are always welcome.

Trees and plants are packed carefully and delivered to your railroad station in good condition. A certificate of Washington State inspection will accompany every shipment of nursery stock from our nurseries, insuring you of trees and plants free from disease.

Our prices are moderate as we have no agents to pay commissions to, and have no deliverymen to pay percentage to. Mail your order with remittance direct to the nurseries and you may feel assured that your order will be filled properly with what you order.

In ordering, give complete shipping instructions. In the absence of these instructions, we will forward the shipment according to our best judgment.

Please write your name, and the town or station that you want your order shipped to **very plainly**. This will help to prevent mistakes on our part, or on the part of the transportation companies.

Guarantee of Genuineness.

While we exercise the greatest care to have our trees and plants true to label, and hold ourselves in readiness to replace any that should prove otherwise, or refund the amount paid for such trees, etc., it is mutually understood between purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than the original amount received for said trees.

All orders are only accepted under these terms. In 16 years of continued business and out of 400,000 fruit trees delivered, just two peach trees were reported untrue.

Five trees or plants of a kind furnished at 10 rate, 50 at 100 rate, and 500 at 1000 rate; 6 at dozen rate.

APPLE TREES

Best Varieties for the Northwest

	Each	Per 10	Per 100
4 to 6 feet	\$.60	\$5.00	\$40.00

Lilac, Marie Le Gray, double white—2 to 3 feet	1.00	10.00
Lilac, Ludwig Speath—Lavender— 2 to 3 feet	1.00	10.00

Roses

Choice Field-Grown Roses

We offer good, strong two-year-old plants, well rooted, which will bloom abundantly from June till frost the first season they are planted.

With proper care they will attain a perfection seldom equalled. You cannot expect them to do well unless you care for them. In planting, if you use manure, be careful and not get any against the roots. It is liable to burn them.

Plants range from 12 to 24 inches, according to variety.

Price, 75c each;

\$7.50 per dozen.

Bessie Brown—Flesh pink, and white.

Etoile de France—

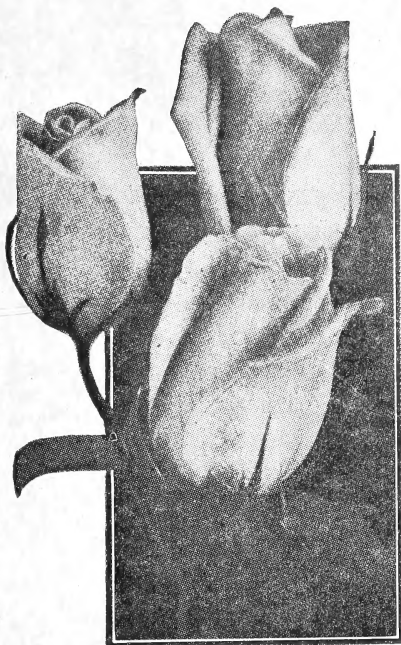

Dark red; beautiful buds.

Frau Karl Druschki—

Pure white; hybrid perpetual.

Gen. Sup. A. Janssen

—Pink; beautiful buds.

Lady Hillingdon

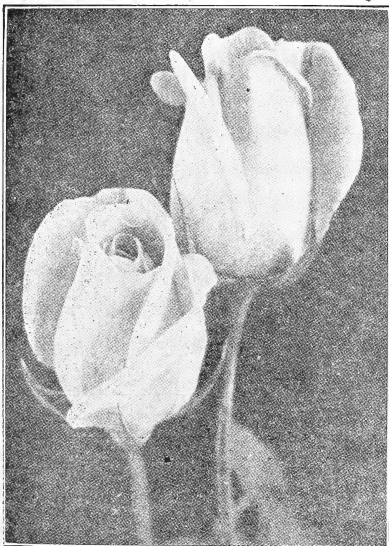

Duchess of Albany—Silvery pink.

Rhea Reid—Rich dark red.

Sunburst—Brilliant orange copper color.

Wm. R. Smith—Flesh pink; beautiful buds.

Ophelia—Salmon pink; buds on long stems.

Von Hochburg—Excellent large trusses, very dark crimson.		

CANNA LILIES FOR YOUR FLOWER BED

Try some this spring; they are very showy.

Cannas grow from 3 to 5 feet in height with massive leaves and produce heads of lily shaped flowers of various colors from July until frost. They give a tropical effect with their broad, green leaves. Some varieties have purple or bronze foliage.

We offer five varieties of the best general purpose cannas grown. Price, each, 15c; per doz. \$1.50.

Louisiana—Beautiful pink.

California—Orange yellow.

Wyoming—Bright yellow; bronze foliage.

Beacon—Most beautiful bright red.

King Humbert—Large red; spotted with yellow; bronze foliage.

HARDY BORDER PLANTS

Daisies—Burbank Shasta; white 25c each; per doz. \$2.50.
Yucca Filamentosa—Waxie bell shaped flowers on laterals forming a perfect pyramid three feet high; large plants, 75c each.
